chords Love Know No End

By : Hillsong Worship
Key : A

Intro :
A C#m A C#m F#m D A C#m

Verse 1

```
           A                    C#m
I lift my eyes to see Your face
           A                   C#m
I know my help is in Your Name
             F#m
In everything
             D
Held by hands
         A       C#m
Of mercy
```

Verse 2 :

```
            A                     C#m
And I will run and not grow weary
        A                        C#m
I will rise in God my strength
                    F#m
My heart will trust
               D
For all my hope
               A      C#m
Is Christ alone
```

Chorus

```
        A
Now my soul sings
                          E
Your love it knows no end
                          D
Your love it knows no end
                          A      E      A      C#m
Your love it knows no end
```

Verse 3

```
        A                     C#m
```

```
I will love for You have loved
          A                  C#m
I will forgive as You forgive
                  F#m
Your love prevails
                D
You fill my life
               A    C#m
With hope again
```

Chorus :

Bridge :

```
              F#m
You reign forever
A             E
You reign forever
D             F#m                  E      D
You are the light unto this world
[x3]
```

Chorus

Love Know No End
