Falling Into You

Intro : (repeat x2)

```
C   Em   G
```

Verse 1

```
C                              Em   G
I've lived my life to the limit
C                              Em   G
Well I'm at the end of myself
C                              Em   G
I see the edge but I know below me
C                             Em    G
Your love is waiting to catch
```

Chorus

```
             C
I'm falling into you
          Em
Cause no one's gonna
G           C         Em
Love me like you do (alright)
 G                  C
I've got nothing to lose
        Em
So I can't stop, won't stop
G           C   Em      G
Falling into you (alright)
```

Verse

```
C                          Em     G
The rush I've felt in the free-fall
C                     Em   G
As I lost control of my life
C
Jesus, I've found that
 Em              G
You've always had me
C                Em
Your love is never in doubt
```

Tag 1

```
 G
I wanna love you like you love me [2x]
```

Chorus [.....]

Tag 2

```
C                      Em      G
I wanna love you like you love me
C                      Em      G
I wanna love you like you love me
C                       Em
I wanna love you like you love me
