Verse 1
I remember when I called Your name
        Αm
                          C
There I knew I'd never be the same
         Αm
Love came rushing to this heart of mine
                G/B
Like You waited for this all my life
I remember when I learned to pray
         Am
                         C
Close to You I find my hiding place
Here Your Spirit works within my soul
                  G/B
         Αm
                           C
And Your presence keeps me wanting more

Verse 2
                           C
When I think upon your wounded hands
And how you begun a great romance
                               C
I will take your bread and take your wine
            G/B
                     C
To remember what you sacrificed
Now I'm serving for Your kingdom come
             Am
Where You're leading me is where I'll run
Jesus I can be your hands and feet
