In Your Eyes

             F
Skylines and crowded streets
Gm7                   Dm
Calling my attention
                 F
The limelight and empty dreams
Gm7                   Dm
Craving my affections
               Bb              Csus
But there is a perfect voice
            Dm
Waiting a bove the noise
          F
Jesus, my only choice when

All the lights are screaming

Chorus
Bb  Gm7  F
Then I…
           C   Bb  Gm7  F
I get lost in Your eyes

And find a clarity to life
                          Gm7          F
The world and all her colours rage
                             C
But I'm not going to look away
    Bb  Gm7  F
No I.. I get lost in Your eyes

I've heard all the pretty lies and
Gm7                    Dm
All of them are vacant
               Bb          C
But You are a love unique

My heart, my identity
