Disillusioned I was

Lost and insecure
                    Bm
Still mercy fought
                  D/F#
For my attention

You were waiting at the door
D
     Then I let you in

For my offenses

For my redemption
D
You carried all the blame

Breaking the curse

Of our condition
D
Perfection took our place
