Who am I

By : Casting Crowns

Verse 1 :

```
G                  D/F#                          Em7
Who am I, that the Lord of all the earth

D                                        C
Would care to know my name

D                                      C
Would care to feel my hurt

G                  D/F#                                  Em7
Who am I, that the Bright and Morning Star

D                                                 C
Would choose to light the way

D                                          C
For my ever wand’ring heart
```

Pre-Chorus :

```
C                                      D
Not because of who I am

Em7                                      D/F#
But because of what You’ve done

Em7                                     D/F#
Not because of what I’ve done

C                                        D
But because of who You are
```

G D/F# Em7
I am a flower quickly fading

D C
Here today and gone tomorrow

D C
A wave tossed in the ocean

D
A vapor in the wind

G D/F# E#m7
Still You hear me when I’m calling

D C
Lord, You catch me when I’m falling

D C
And You’ve told me who I am

Verse 2 :

G D/F# E#m7
Who am I, that the eyes that see my sin

D C
Would look on me with love

D C
And watch me rise again

G D/F# E#m7
Who am I, that the voice that calmed the sea

D C
Would call out through the rain

D C
And calm the storm in me
