By : Mack Brock
Intro :
В
5x
  F# G#m
\mathbf{E}
  F#
Verse1:
                               F#
                                             G#m
  My life is built on Your faithfulness
  My hope is held in Your promises
\mathbf{E}
                                     F#
  I take each step with Your confidence
          G#m
'Cause I am Yours
           F#
I am Yours

Chorus :
E2
  You never fail
              G#m
You never will
                    F#
I trust Your name for greater things
  You will come through
           G#m
You always do
                     F#
                                        G#m
I trust Your name for greater things

Verse 2:
                                            G#m
 You cleared a way in the wilderness
                                          G#m
  You brought me back from my brokenness
  You took my shame and You buried it
What You've done
I won't forget
Chorus [ ..... ]
Bridge :
                      G#m
                                       F#
                                                G#m
  I will not fear for You are with me
                      G#m
                                       F#
                                                G#m
  I've seen this fight from the victory
                      G#m
                                                G#m
 No power of hell could stand against me
                            G#m
                                                G#m
  'Cause I've seen this from the victory
Ending :
   C#m D#m G#m
F#
