Intro :

C G D Em
C G D

Verse1 :

```
          Em                 D           G
There’s a space in every beating heart
          D                                      Am
There’s a longing that reaches past the stars
           Em                    D        G
There’s an answer to every question mark
              D
There’s a name
          Em                   D             G
There’s a hope flowing through these veins
          D                                     Am
There’s a voice that echoes through the pain
           Em                   D       G
There’s an ember ready for the flame
                  D
There’s a name
```

Pre-Chorus :

```
        C
We will fix our eyes on the
G               D
One who overcame
Em      C
We will stand in awe of the
G                         D
One who breaks the chains
```

Chorus :

```
Em                C
Love has a name
              G           D
Love has a name Jesus
Em                C
Love has a name
```

```
                G         D
Love has a name Jesus
```

Verse 2 :

```
          Em                        D       G
There’s a joy that triumphs over fear
          D                                              Am
There’s a laughter that wipes away all tears
          Em                                  D      G
There’s a presence that changes atmospheres
               D
There’s a name
```

Chorus [....]

Bridge :

```
Am               G          D          Em
The name that’s lifted up forever
Am               G                D
The name that shakes the earth
                  Em     G/B
and shakes the heavens
Am              G         D
The hope for every heart
           Em     C     G    D   C
The Savior of the world Jesus
G   D
Jesus
```
