Intro :

E Bsus C#m7 A2

Verse :

```
E                Bsus         C#m7           A2
The clouds are forming, new power to be released
E                Bsus         C#m7         A2
And all God?s children are dancing in the streets
E                Bsus        C#m7              A2
I lift my head to heaven, and I open wide my mouth
 E               Bsus         C#m7           A2
And I?ll drink deeply the rains you?re pouring out
```

Verse 2 :

```
 A2            Bsus                    E                C#m7
And like a flood, you?ve poured yourself out on me
 A2           Bsus               E           C#m7
And like a flood I?ve been redeemed
 A2         Bsus                   E               C#m7
And like a flood, you?ve poured yourself out on me
 A2       Bsus
Like a flood
```

Chorus :

```
 E                           Bsus
You come with the clouds, with the sound of thunder
 C#m7                      A2        Bsus
You come with your love raining down
 E                         Bsus     C#m7               A2
You come with a shout, with the sound of trumpets
 C#m7             A2         Bsus
Your salvation sounding out

Your love never fails, your truth is a rock

     E
You are the King of Kings
     Bsus
You are the Lord of Lords

You know my only one heart?s desire is you
