

## Living Hope Chords

By : [PHIL WICKHAM](#)

Key : E

Tempo : Mid 72 Bpm

### Intro :

E A2 E A2

### Verse 1 :

                  E                                  Bsus  
How great the chasm that lay between us  
                  A2                  C#m7                  Bsus  
How high the mountain I could not climb  
                  E                                  Bsus  
In desperation, I turned to heaven  
                  A2                  Bsus                  E  
and spoke Your name into the night  
                  E                                  Bsus  
Then through the darkness Your loving-kindness  
                  C#m7                                  B (add 4)  
tore through the shadows of my soul  
E  Bsus  
The work is finished, the end is written  
                  A                  Bsus                  E                  A2  
Jesus Christ, my living hope

### Verse 2 :

                  E                                  Bsus  
Who could imagine so great a mercy  
                  A2                  C#m7                  Bsus  
What heart could fathom such boundless grace  
                  E                                  Bsus  
The God of ages stepped down from glory  
                  A2                  Bsus                  E  
to wear my sin and bear my shame  
                  E                                  Bsus  
The cross has spoken, I am forgiven
