Intro : 2x
C# Bbm G#
C# C#/F F#

```
  C#
I wanna hear You say well done
             F#
I wanna be welcomed in
                     Bbm                 G#            F#
I wanna feel Your love like sunshine on my resurrected skin.

                    C#
I wanna hear the music play
     F#
I wanna hear the trumpets sound
     Bbm
I wanna hear You call my name
         G#                   F#
And watch my feet lift off the ground

       C#       Bbm         G#
I will run, oh and I won't quit
               C#     Bbm     G#
Chasing Your heart, just like David did
               C#                                    C#/F
I'll coming running through the gates, looking to Your face
  F#
Oh I can hardly wait!
            Bbm               G#                F#
Until You carry my soul, carry my soul away
