By : Hillsong Young & Free
Key : C

Verse :

```
F
 I close my eyes and colors fly
Am          G                 F
 There's no hiding from Your grace
           F
I can't deny Your heart for mine
Am       G           F
 And its unrelenting chase
             F
I was on the edge of deception
Am               G
 Caught up in my own hesitation
Dm          C/E             F   G
 Until Your love took over me
```

Pre Chorus :

```
     Dm           F
So I let go and I let love
        Am                          G
Show me life like it's supposed to be
    Dm         F
An oasis here awaits us
        Am                G
All the freedom I'll ever need
             Dm
Now I'm alive
```

Chorus :

```
Dm       F
Oh la la oh la la
     Am      G
When I let go then I find life
Dm        F
Oh la la, oh la la
