Key : C

Intro:

Am C G F

Verse 1 :

Am C G
In the darkest hour when I cannot breathe
F
Fear is on my chest, the weight of the world on me
Am C Gsus2
Everything is crashing down, everything I had known
F
When I wonder if I'm all alone

Chorus :

C Em/B
I remember, I remember
Am G F
You have always been faithful to me
C Em/B
I remember, I remember
Am G F
Even when my own eyes could not see
C/E G
You were there, always there

Verse 2 :

Am C G
I will lift my eyes even in the pain
F
Above all the lies, I know You can make a way
Am C G
I have seen giants fall, I have seen mountains move

F

I have seen waters part because of You
