```
G     G7
               C           D
Let this be a cry from my heart
                Bm       B7      Em
Pouring out as sacrifice of praise
               Am              D
Let this be a worship from my heart
          Em     G7   G
In my surrender
               C             D
Let this be a sweet song to You
                 Bm        B7    Em
Let this be the most that I can give
               Am              D
Let this be a worship from my heart
            G
For You my King
```
