Day By Day Chords

By : Lina Sandell
Key : C

Verse :

```
       C         Am                  Dm
Day by day, and with each passing moment
           G7                        C   G
Strength I find to meet my trials here
         C     Am               Dm
Trusting in my Father's wise bestowment
        G7                       C    G
I've no cause, for worry or for fear
```

(adsbygoogle = window.adsbygoogle || []).push({});

Chorus :

```
        C        C7               F     A/E
He whose heart is kind beyond all measure
       Dm      G7            C      G/B
Give unto each day what He deems best
      Am      C7/G              F     D/F#
Lovingly it's part of pain and pleasure
         G7                   C
Mingling toil with peace and rest
```

Verse 2 :

```
      C       Am               Dm
Every day the Lord Himself is near me
       G7                       C   G
With a special mercy for each hour
       C        Am                  Dm
All my cares He wants to bear and cheer me
         G7                       C    G
He whose name is Counselor and Power
```

Chorus 2 :

```
       C        C7              F     A/E
The protection of His child and treasure
     Dm          G7            C     G/B
Is a charge that on Himself He laid
        Am        C7/G
"As thy days, thy strength
            F     D/F#
shall be in measure."
     G7             C
This pledge to me He made
```

Verse 3 :

```
        C       Am         Dm
Help me then in every tribulation
      G7                    C   G
So to trust Your promise, O Lord
       C        Am                Dm
That I lost not faith's wise consolation
        G7                      C    G
Offered me within Your trustful Word
```

Chorus 3 :

```
        C         C7               F    A/E
Help me Lord when toil and trouble meeting
        Dm      G7              C   G/B
E're to take as from a father's hand
       Am      C7/G             F     D/F#
One by one the days the moments fleeting
       G7                           C
Till I reach the best, the promised land
```
