Let It Happen Chords

By : United Pursuit feat. Andrea Marie
Key : F

Chorus :

```
               F
You’re full of life now
            C
And full of passion
             Am
That’s how he made you
           G
Just let it happen
```

Verse :

```
       F                 C
And he calls each one of us
       Am            G
By our names to come away
       F                C
And he whispers to your heart
          Am             G
To let it go and to be a light
        F                  C
Yeah he calls each one of us
       Am            G
By our names to come away
       F                C
And he whispers to your heart
         Am             G
To let it go and to be a light
```

Pre-Chorus :

```
       F                C
And he whispers to your heart
          Am             G
To let it go and to be a light
    F                C
And whispers to your heart
         Am              G
To let it go and to be a light
     F
Be a light
     C
Be a light
     Am
Be a light
     G
Be a light
      F
Come alive
      C
Come alive
      Am
Come alive
      G
Come alive
         F
To come alive
         C
To come alive
         Am
To come alive
         G
To come alive
```

Bridge :

```
C
So take me back
G F
  Back to the beginning
C/E
When I was young
G
Running through the fields with you
```
