

## From The Inside Out Chords

By : Hillsong UNITED

Key : G

Verse 1 :

                  C  
A thousand times I've failed  
                  G                  D  
Still Your mercy remains  
                  C  
should I stumble again  
                  G                  D  
still i'm caught in Your grace  
                  Em  
Everlasting  
                  C                                  G                  D  
Your light will shine when all else fades  
                  Em  
Never ending  
                  C                                  G                  D  
Your glory goes beyond all fame

Intro :

Verse 2 :

                  C  
Your will above all else  
                  G                  D  
My purpose remains  
                  C  
The art of losing myself  
                  G                  D  
In bringing You praise  
                  Em  
Everlasting  
                  C                                  G                  D  
Your light will shine when all else fades  
                  Em  
Never ending  
                  C                                  G                  D  
Your glory goes beyond all fame

```

Chorus 1 :

C G  
In my heart and my soul  
Em  
Lord I give You control  
D  
Consume me from the inside out Lord  
C Em  
let justice and praise  
D  
Become my embrace  
Am7  
To love You from the inside out

Chorus 2 :

Em  
Everlasting

C G D  
Your light will shine when all else fades

Em  
Never ending

C G D  
Your glory goes beyond all fame

G C  
And the cry of my heart

D Em  
Is to bring You praise

C D  
From the inside out

C D  
Lord my soul cries out

Solo chords:

C   G   Em   D   C   Em   D   Am7

Chorus 1 : [ . . . . . ]

Chorus 2 : (2x) [ . . . . . ]

The second time you do chorus 2, do this part of it twice:

          C          D  
From the inside out  
          C          D  
Lord my soul cries out 2x

Outro:

C
