Verse 1:

```
               Csus2
Beneath the surface
             G         Dsus4
Of my anxious imagination
          Csus2
Beckons a calmness,
                     G   Dsus4
That is found in you alone
           Csus2
It washes over
                  D/F#   G
Every doubt every imper-fection
           Csus2
Jesus your presence
          D/F#   G     Dsus4
Is the comfort of my soul
```
