

# CHORDMUSIC.INFO

With you

## Verse 2:

Csus2

Here in the waiting

G Dsus4

I won't worry about tomorrow

Csus2

No need to focus

G

On the things I can't control

C/E

All my attention

D/F# G Dsus4

On the wonder of this moment

C/E

Jesus, your presence

D/F# G

Is the comfort of my soul

## Chorus:

G/B Csus2

There's nowhere I'd rather be

D G Dsus4

When you're singing over me

Csus2

I just wanna be here

D D/F# G

With you

G/B Csus2

I'm lost in your mystery

D G Dsus4

I'm found in your love for me

Csus2

I just wanna be here

D D/F# G

With you

## Instrumental:

          C                  D  
So let all that I am  
          Em                          G/B  
Be consumed in who you are  
          C                          D  
Oh, the glory of your presence  
          Em                          G  
What more could I ask for  
          C                          D  
So let all that I am  
          Em                          G/B  
Be consumed in who you are  
          C                          D  
Oh, the glory of your presence  
          Em                          G  
What more could I ask for  
          C                          D  
So let all that I am  
          Em                          G/B  
Be consumed in who you are  
          C                          D  
Oh, the glory of your presence  
          Em                          G  
What more could I ask for
