Chorus:

```
    G                      C
So set a fire down in my soul
                                      Em
That I can't contain, that I can't control

I want more of you God
