

Jesus And You chords by Matthew West

By [: Matthew West](#)

Key [: G](#)

Intro :

G Em C G

Verse 1 :

When the miles are too high for counting
And the hill's too steep to climb
When the world outside ain't making sense
And the truth's too lost to find
When that line's too blurred for seeing
And my wrongs too wrong to right
When I'm hanging by that final thread
And my strong's too weak to fight

Chorus :

I hear a song, sweet song, singing to my soul
I see a light house in a hurricane and it's leading me back home
When I think about the only things in life that pull me through
I hit my knees and thank the Lord, for Jesus & You
Oh yes I do,

Em C G
Everyday I do...
