By : Bethel Music feat. Brandon Lake
Key :
G

Intro:
C G C G

```
         G                      C
I still believe, in signs and wonders
         G                           C
I still believe, you're working in power
G                                          C
Wonders are still what you do, Its in your nature
G                                          C
Wonders are still what you do, Its in your character
```
