```
There's no way I have to be
                  Db
Your love is evergreen
                       Ab
And there's no hill I need to climb
                       Fm
And there's no flag I need to fly
                       Eb
Oh, there's no song I have to sing
                   Db
Your love is evergreen
                  Ab
Your love is evergreen

Interlude : 2x [ ................]

[Verse 3]
                       Ab
For there's no promise You won't keep
                        Fm
And there's no distance You won't reach
                   Eb
There's no season in between
                  Db
Your love is evergreen
                            Ab
'Cause You don't give and take away
                        Fm
And You don't play the games we play
                    Eb
You're not waiting for the spring
                  Db
Your love is evergreen
                  Ab
Your love is evergreen
```
