Verse 1:

```
 Gb                Db/F
Take me back to simple things
       Gb                Ab
Where I found You in everything
 Gb                            Db/F
And worship wasn’t just a song I’d sing
 Ebm              Db
All my life an offering
```

Verse 2:

```
 Gb                Db/F
Take me back to simple things
       Gb                Ab
Where innocence was everything
    Gb                Db/F
And like a child my song would be
Ebm                  Db
Unrehearsed and wild and free
```

Chorus:

```
Gb                Db/F
I am because You are
    Gb                Ab
The center of my heart
    Gb                    Db/F
I’m loved because You’re love
    Ebm              Db
And that will be enough
```

Verse 3:

```
 Gb               Db/F
Take me back to simple things
     Gb                   Ab
Behind closed doors just You and me
     Gb                    Db/F
With nothing grand that I could bring
      Ebm               Db
Your presence was enough for me
```
