Chords Love Come To Life Big Daddy Weave

By : Big Daddy Weave Key : C

```
Intro :
C

[Verse ]
C
I've been restless on the inside

Wondering about this heart of mine
F
I've been desperately trying to find
A way to prove that I'm still alive
Am                      G                        C
Has the love I speak so loudly of quietly grown cold

Has my life been an empty voice?
                             F
What I say needs to be seen

I need to step out and make the choice

To let go of everything
Am                      G
Would You reignite this heart spark here in the dark?

[Chorus]
Am                   F              C     G
Bring Your love to life inside of me
              Am                      F                   C      G
Why don't You break my heart 'til it moves my hands and feet
Am               F                C
For the hopeless and the broken
                              G
For the ones that don't know that You love them
Am                  F                C
Bring Your love to life inside of me
-
C
A generation You're calling out

Living everything that we sing about
F
