By : [Big Daddy Weave](#) Key : [C](#)

[Verse 1]

          F                  C  
I was dead in my transgressions  
G                  Am7  
Wandering in sin  
          F                  C  
I went searching for redemption  
          G                  Am7  
Down a road that had no end  
          F                  C  
I was walking through the fire  
          G                  Am7  
I was living on the run  
          F                  C  
With my flesh lost in desire  
          G                  Am7  
I was drowning in the flood

[Chorus]

          F      C          G  
But God, rich in mercy  
          Am7          F  
You came to save me  
          C      G  
Now I'm alive  
          F      C          G  
But God, strong and mighty  
          Am7          F  
You reached down for me  
          C          G  
So I could rise

[Tag]

          F  
Now I'm alive

[Verse 2]

          G                  Am7  
There are days that I regret  
          F                  C  
On this battlefield I struggle  
          G                  Am7  
With the lies that I have lived  
          F                  C  
I have fallen short of glory  
          G                  Am7  
I can't make it on my own  
          F                  C  
If You kept record of my past  
          G                  Am7  
I'd be sinking like a stone

[Chorus]

          F      C          G  
But God, rich in mercy  
          Am7      F  
You came to save me  
          C      G  
Now I'm alive  
          F      C          G  
But God, strong and mighty  
          Am7          F  
You reached down for me  
          C      G  
So I could rise

[Bridge]

                  F      C                  G          Am  
Now I'm breathing in,          breathing out  
                  F          C                  G          Am  
I was in the grave, but God you called me out  
                  F      C                  G          Am  
Now I'm breathing in,          breathing out  
                  F          C                  G          Am  
I was in the grave, but God you called me out

[Chorus]

          F      C          G  
But God, rich in mercy  
          Am7      F
