chords What You Said

```
By: Jon Egan Key: B
Intro :
В
   Bsus4
          B E2
                     E2
                          Emaj7
В
   Bsus4 B E2
                     E2
                          Emaj7
[Verse]
                  Bsus4
         В
Though oceans may rise over my head
It can't change what You said
It can't change what You said
                             Bsus4
Though I may be found in the valley of death
It can't change what You said
It can't change what You said. (No, no, no)
[Chorus]
                                             F#
You are good, and everything You do is good
                  C#m9
You are kind, and everything You do is kind
G#m
                                                F#
You don't fail, You haven't and You never will
Emaj7
                  C#m9
You are good, and everything You do is good
Verse : 2x [ ......]
[Interlude]
G#m
      \mathbf{E}
          C#m
G#m
          C#m
     \mathbf{E}
[Bridge]
   G#m
No future or past, no height and no depth
                                    C#m
Can change what You said, it can't change what You said
```

```
G#m
My heart is convinced so I'll praise You instead
                                  C#m
And declare what You said, I'll declare what You said
Interlude: [.....]
[Tag]
   Your promises are yes and amen, I know
  Nothing can ever change what You said, I know [Repeat]
В
   Your promises are yes and amen, I know
   Nothing can ever change what You said, I know
G#m7
   Your promises are yes and amen, I know
 Nothing can ever change what You said, I know [Repeat]
Ε2
                                                В
 Nothing can ever change what You said, I know
