Chords Safe by Alisa Turner

By : Alisa Turner Key : Db

```
Intro:
Gb   Bbm   Ab  Ebm

[Verse 1]
Gb                            Bbm
There's a darkness that has tried to swallow me
   Ab                         Ebm
I haven't seen the light for days
Gb                        Bbm
I've been running for so long
                          Ab
Fear racing through my bones
                                Ebm
'Til You brought me to this place

[Chorus 1]
Db                  Ab
Safe, I'm finally safe
         Ebm             Gb
I can hide here, I can hide here
Db                 Ab
Safe, You hold me safe
       Ebm            Gb
I'm okay here, I'm okay here
            Gb   Bbm   Ab   Ebm
Completely safe

[Verse 2]
Gb                              Bbm
There's no shadow, there's no shame
                      Ab
No need to numb the pain
                     Ebm
There's nothing to explain
Gb                    Bbm
Only kindness with no boundaries
                 Ab
Mercy that surrounds me
                     Ebm
Love that sings my name
```

[Interlude]
Gb Bbm Ab Ebm

[Chorus 2]
Gb Bbm Ab Ebm
Safe, safe
Gb Bbm
Safe, I'm forever safe
Ab Ebm
I can hide here, I can hide here
Gb Bbm
Safe, gloriously safe
Ab Ebm
I'm okay here, I'm okay here
