CHORDMUSIC.INFO

'Watch this: I'm bringing

The breath of life to you

D

And you'll come to life as I prophesied'

There was a sound and, oh, a rustling!

F#m

The bones moved and came together

Bone to bone

I kept watching the muscles

And sinews formed

D

Then skin stretched over them

But they had no breath

They still had no breath

[Chorus 3]

A

'Cause ev'rybody is broken, ev'rybody is broken

D

Ev'rybody is broken, ev'rybody is broken

F#m

And ev'rybody breaks

D

But the bones will speak again

[Chorus 4]

A

Ev'rybody is broken, ev'rybody is broken

D

Ev'rybody is broken, ev'rybody is broken

F#m

And ev'rybody breaks

D

But the bones will live again
