```
[Intro]
D Dsus4 D Dsus4 D

[Verse 1: Taylor Swift]
      Bm                          G
All I knew this morning when I woke
                         A
Is I know something now, know something now
                D
I didn't before
                Bm
And all I've seen since 18 hours ago
G
 Is green eyes and freckles and your smile in
    A
The back of my mind making me feel like

[Pre-Chorus: Taylor Swift + Ed Sheeran]
D                                     Em7
 I just want to know you better know, you better know you, better now
G                                     Bm                A
 I just want to know you better know, you better know, you better now
D                                     Em7
 I just want to know you better know, you better know, you better now
G                            Bm        A
 I just want to know you, know you, know you

[Chorus: Taylor Swift + Ed Sheeran]
      D
Cause all I know is we said hello
    Bm
And your eyes look like coming home
   A                          G
All I know is a simple name, everything has changed
D
All I know is you held the door
Bm
You'll be mine and I'll be yours
  A                         G
All I know since yesterday, is everything has changed

[Verse 2: Ed Sheeran + Taylor Swift]
            Bm                            G
And all my walls stood tall, painted blue
                         A
But I'll take them down, take them down
                               D
And open up the door for you
            Bm
And all I feel in my stomach is butterflies
G
 The beautiful kind, making up for lost time
A
Taking flight, making me feel like

[Pre-Chorus: Taylor Swift + Ed Sheeran]
D                                     Em7
 I just want to know you better know, you better know you, better now
G                                     Bm                A
 I just want to know you better know, you better know, you better now
D                                     Em7
 I just want to know you better know, you better know, you better now
G                            Bm        A
 I just want to know you, know you, know you

[Chorus: Taylor Swift + Ed Sheeran]
      D
Cause all I know is we said hello
    Bm
And your eyes look like coming home
   A                          G
All I know is a simple name, everything has changed
D
All I know is you held the door
Bm
You'll be mine and I'll be yours
  A                         G
All I know since yesterday, is everything has changed

[Bridge: Taylor Swift + Ed Sheeran]
Bm                       G
  Come back and tell me why
                        D                       A
I'm feeling like I've missed you all this time
   Bm                    G
```
