[Verse 1]

Cadd9 G Em D Cadd9
 It's just another night, and I'm staring at the Moon,
 G D
 I saw a shooting star and thought of you.
 Cadd9 G Em D Cadd9
 I sang a lullaby by the waterside and knew,
 G D
 If you were here I'd sing to you.
 Cadd9 G Em D Cadd9
 You're on the other side as the skyline splits in two,
 G D
 Miles away from seeing you.
 Cadd9 G Em D Cadd9
 But I can see the stars from Amer - i - ca
 G D
 I wonder do you see them too.

[Chorus]

G
 So open your eyes and see,
 D
 The way our horizons meet.
 Em
 And all of the lights will leave,
 Cadd9
 Into the night with me.
 G
 And I know these scars will bleed,
 D
 But both of our hearts believe,
 Em Cadd9 G D G
 All of these stars will guide us home.

[Verse 2]

Cadd9 G Em D Cadd9
 I can hear your heart on the ra - di - o beats,
 G D
 They're playing 'Chasing Cars' and I thought of us.
 Cadd9 G Em D Cadd9
 Back to the time you were lying next to me,
 G D
