Chords There Is A Name

By : Sean Feucht Ft Bethel Music Key : C

```
[Verse 1]
            C     Em        F                 C
There is a name        Who reigns without contention
       F               Am             G
Whose power can’t be questioned or contained
             C     Em         F                   C
With humble fame         He rules the earth and heavens
     F               Am         G
His glory knows no measure or refrain
        F                Am             G
It’s bursting past the borderlines of space

[Chorus]
F                                              C        Csus   C
Jesus, enthroned upon the praises of our hearts
F                                                        Am  G
Jesus, You’re the king and You’re the center of it all

[Verse 2]
            C     Em         F                C
There is a name         Reaching past the margins
    F               Am              G
Calling sons and daughters back to him
            C      Em             F                  C
And as He saves          We can hear the roar of heaven
       F          Am           G
As prodigals are coming home again
           F            Am              G
Oh, the triumph of His name will never end

[Chorus]
F                                              C        Csus   C
Jesus, enthroned upon the praises of our hearts
F                                                        Am  G
Jesus, You’re the king and You’re the center of it all

[Bridge]
F                          Dm
For every eye will see    Every heart will know
Am                           C/E
There is no name above, the name of Jesus
F                                Dm
