Chords Coming Home by Housefires

```
By: Housefires Key: G
[Verse]
I could let you down over and over
But your love never changes
Lord you're so patient
If I run back home God you come running
Your love never changes
Lord you're so gracious
[Chorus]
        Εm
With a kiss
      C
With a ring and a robe
         D
                  Εm
You have found me
You have found me
[Bridge]
                         Εm
And it feels like coming home
For the first time in a long time
                     Εm
                                   G
It feels like coming home
