[Intro]

```
G   G   D   D
G   G   D   D
[Verse 1]

   G
It is my joy to sing
       G
Of the One who died for me
       D
He is Jesus
      G
There is no greater love
         G
Than the One who paid it all
       D
Only Jesus
```

[Pre-Chorus]

```
   A
Oooh..
G                            A   Bm
 With all my soul I sing Your praises
G                           A  Bm
 With all my life I will surrender
G                            D
 With all my heart I worship You
```

[Verse 2]

```
    G
The stone has rolled away
   G                                D
No longer I am chained because of Jesus
  G
Forever I will sing
       G
Of the blood that sets me free
     D
Only Jesus
```

Oooh..
G                              A   Bm
 With all my soul I sing Your praises
G                             A  Bm
 With all my life I will surrender
G                              D
 With all my heart I worship You
```

[Chorus]

```
    D
The Savior reigns
                           Bm
You have risen from the grave alive
                            G          A
Now the lost has found a way to life
                D      A
We have been redeemed
    D
The Savior reigns
                           Bm
You have risen from the grave alive
                           G          A
Death has lost it's power over us
                D      A
We have been set free
```
