Title Song : **God That Saves** By : Iron Bell Music Key : **G**

```
[VERSE 1]
Em              D/F#      G
This soul once torn and beaten
                C             D
Left without reason to move on
Em                D/F#      G
Then you reached down and brought me
                C             D
Up from the valley of dry bones

[CHORUS]
 C             G         D
You are that God that saves
             Em          D    C
You are the one who rescues me
       G    D
You rescue me
 C            G          D
You are the God that saves
         Em        D          C
And you called me from the grave
       G    D
You rescue me

[VERSE 2]
  Em      D/F#      G
Ransomed out of the wreckage
                   C               D
Pulled from the ashes, Of sin's hold
Em         D/F#            G
Hope is flowing through these veins
             C                  D
Life born from grace, grace alone

[CHORUS]
 C             G         D
You are that God that saves
             Em          D    C
```

```
You are the one who rescues me
      G    D
You rescue me
 C           G         D
You are the God that saves
        Em       D         C
And you called me from the grave
      G    D
You rescue me

[INSTRUMENTAL]

[BRIDGE]
C
I hear the song
                        G          D
I hear the song of victory ring over me
C
I hear the song
                        G          D
I hear the song of victory ring over me
C
I hear the song
                        G          D
I hear the song of victory ring over me
C
I hear the song
                        G          D
I hear the song of victory ring over me

[CHORUS]
 C            G        D
You are that God that saves
             Em         D    C
You are the one who rescues me
      G    D
You rescue me
 C           G         D
You are the God that saves
        Em       D         C
And you called me from the grave
      G    D
You rescue me

[OUTTRO]
        Em       D         C
```

```
And you called me from the grave
           G          D        C
I hear you say, and I hear you say
          G
Sing over me
```
