```
[Verse 1]
C                   G          D      EM
Even when I cannot see, you are moving
C                   G          D              EM
Even when I cannot hear, you are singing over me
C                     G              D      EM
Even when I can't hold on, you won't let me go
        C       G        D        EM
You are faithful. You are faithful.

[Chorus]
     C   G     D         EM
Hallelujah, my soul will sing
     C   G          D       EM
Hallelujah, You are good to me
        C      G       D         EM
You are faithful, always faithful

[Verse 2]
C                     G            D         EM
Even when my faith is tried, you're providing
C                        G               D                    EM
Even though my flesh may fail, you're the strength when I am weak
C                G             D        EM
Even when I run away, You will wait for me
             C  G       D         EM
To come back home, I'm coming home.

[Bridge]
C                   G                    D          EM
Everything I wanted, everything I needed is found in you God.
C                   G                    D  EM
Everything I wanted, everything I needed... Oh...

C                   G                    D          EM
Everything I wanted, everything I needed is found in you God.
C                   G                    D
Everything I wanted, everything I needed...

[Chorus]
     C   G     D         EM
