```
[Verse 1]
                    G
                                       EM
Even when I cannot see, you are moving
Even when I cannot hear, you are singing over me
C
Even when I can't hold on, you won't let me go
You are faithful. You are faithful.
[Chorus]
     C
         G
               D
Hallelujah, my soul will sing
                    D
Hallelujah, You are good to me
        C
               G
                       D
                                  EM
You are faithful, always faithful
[Verse 2]
                                    D
Even when my faith is tried, you're providing
                                          D
                                                               EM
Even though my flesh may fail, you're the strength when I am weak
Even when I run away, You will wait for me
To come back home, I'm coming home.
[Bridge]
C
                     G
                                           D
                                                       EM
Everything I wanted, everything I needed is found in you God.
Everything I wanted, everything I needed... Oh...
                                                       EM
Everything I wanted, everything I needed is found in you God.
Everything I wanted, everything I needed...
[Chorus]
     C
         G
                         EM
               D
