```
[Intro]
B   C#m      E
We watch, we pray, we're here to seek your face
B    C#m     E
We know you're close, let your presence fill this place
E B/D#
The world is a desert dry and thirsty; your love is the answer full of
 mercy
C#m      F#
Give us your eyes to see the hurting, bring us back to life
B    E
Revival, hearts on fire

G#m       E
Holy Spirit rain down, change us from the inside, singing Oh-a-
oh Oh, oh-a-oh
B    C#m  E
Shine your light, bring healing to the blind
B    C#m  E
You break the chains; let your glory fill the sky
E    B/D#
Send revival fire, send revival fire
C#m    B/D#
Fill this place, fill this place
```
