My only desire, my only pursuit
A           E      B
I only want more of You, come on and help me say
A           E                              B
I only want more (Only want, only want), I only want more (Only want,
only want)
A           E      B
I only want more of You
                 A         E                         B
(My only desire) My only desire, (My only pursuit) my only pursuit
      A           E      B
(Ooh) I only want more of You (Come on, sing it, "I only want, I only
want")
A           E                              B
I only want more (Only want, only want), I only want more (Only want,
only want)
A           E      B
I only want more of You (Of You)
                 A         E                                 B
(My only desire) My only desire, (You're my only desire) my only pursu
it (Hey)
A           E      B
I only want more of You (Help me say, "I love You")

(I only want, I only want) I only want more of You
```

[Chorus]
```
    E          B
I trust You, I trust You
            A
You're my closest friend
           B
You're my everything
   E            B
I trust You, I trust You
A       C#m    B    A  C#m
No one else but You, yeah
```

[Interlude]
```
B       A             B
God, I only, I only want You
                                    A
This one thing, this one thing I desire
                     B
And only one thing I seek
                                   A
