Title Song : Permission To Dance Singer : BTS key : E

Riff 1

C C G4 B G4 B Am Am G G F F Em Em F G

It's the thought of being young

When your heart's just like a drum

Beating louder with no way to guard it

Riff 1

When it all seems like it's wrong

Just sing along to Elton John

And to that feeling, we're just getting started

Am Am7
When the nights get colder

F G
And the rhythms got you falling behind

Am Am7
Just dream about that moment

F G
When you look yourself right in the eye, eye, eye

Then you say

C G4/B
I wanna dance

Am G
The music's got me going

F Em F G
Ain't nothing that can stop how we move, yeah

C G4/B
Let's break our plans

Am G
And live just like we're golden

F Em F G
And roll in like we're dancing fools

Am Am7
We don't need to worry
F G
'Cause when we fall, we know how to land

Riff 1
Don't need to talk the talk, just walk the walk tonight
'Cause we don't need permission to dance

C G4/B Am G
There's always something that's standing in the way
F Em
But if you don't let it faze ya
F G
You'll know just how to break

C G4/B
Just keep the right vibe, yeah
Am G
'Cause there's no looking back
F Em
There ain't no one to prove
F G
We don't got this on lock, yeah

Am Am7
The wait is over
F G
The time is now, so let's do it right
Am Am7
Yeah, we'll keep going
F G
And stay up until we see the sunrise

And we'll say

C G4/B
I wanna dance
Am G
The music's got me going
F Em F G
Ain't nothing that can stop how we move, yeah
C G4/B
Let's break our plans
Am G
