#### Oh My God (English Ver) Lyric and Chord - (G)I-DLE

Title Song : Oh My God (English Ver) Singer : (G)I-DLE key : G

```
[Intro]
Εm
  Nothing can pull me away
G
  From your embrace
С
                    R
  I'm not going anywhere
Εm
  Here we go again
G
  I hear the sound of pain
С
                             В
  Flowing slowly through my veins
[Verse 1]
Εm
                  G
Help me, help me
                        С
                                    В
Oh I don't know how to breathe for real
Εm
                    G
Set free, set free
                       C
                              В
This craving is gonna be deadly
[Pre-chorus]
С
I know that you're only playin'
Βm
I hate it so much I love it
Εm
What would be the repercussions
     G
If I let you inside me
С
It's so dangerous I want it
Βm
Guess you got me where you want me
Εm
I don't care that I'm addicted
```

[Chorus] Εm G Oh my god, С В she took me to the sky Εm G Oh my god, С В she showed me all the stars [Verse 2] Εm G Baby, baby С В You got me losing my mind tonight G Εm Toxic, toxic C I tell my friends that I'm fine B It's a lie Εm Oh god I should stay away G But then you will hit me up And I am on my way Can't stop Girl you make me sick В But then you make me wanna stick around Εm I know I got it bad it feels good Yeah I'll regret it G You're detrimental to my health But I ain't never leavin' I'm probably crazy С But I need it want it gotta have it

You may be poison В But sure as hell taste like honey [Pre-chorus] С Losing all my senses when you Βm Pull me close I don't know how to Εm Let go of this passion So just burn me with your loving С I can't control this desire Βm We get close the flames get higher Εm Nothing can put out this fire [Chorus] Εm G Oh my god, С В she took me to the sky Εm G Oh my god, С В she showed me all the stars [Bridge] Εm Put your hands all over G Want your smell on me forever С I'm losing my composure В Can't nobody do me better Εm Time and time again G I tell myself I need to let go

С В Then I fall right back into your arms [Chorus] Εm G Oh my god, С В she took me to the sky Εm G Oh my god, С В she showed me all the stars [Outro] Εm Nothing can pull me away G From your embrace С В I'm not going anywhere Εm Here we go again G I hear the sound of pain С В Flowing slowly through my veins
