

## HWAA (English Version) Lyric and Chord - (G)I-DLE

Title Song : HWAA (English Version) Singer : (G)I-DLE key : E

[Intro]

Em C G D

[Verse 1]

Em C  
In the frozen dark of your winter

G D  
The coldest wind cruelly blows

Em  
Reaches up to kiss

C  
the highest mountain top

G D  
Burying my broken heart in snow

Breaking out of here

Em  
Get up, build a fire

C  
that'll overtake the ice

Gonna wipe it out

G  
Get up, build a fire that is

D  
gonna dry the tears I've cried

Em  
And out of all the memories we shared

C  
Grows a garden here instead

G  
There wasn't any sun, there wasn't any moon

D  
But my fire's shining through

[Pre-chorus]

Em C  
Reddest red, all these flowers bloom

G D  
When my heart forgets your old distant tune

Em C  
With my burning flame I'll ignite the sun  
G D  
Just like the spring has come  
  
Flames come alive

## [Chorus]

Em C  
hwa aa (Burn it up, burn it up)  
G D  
hwa aa (The red flower grows)  
Em C  
hwa aa (Burn it up, burn it up)  
G D  
hwa aa (The red flower grows)

## [Verse 2]

Em  
Too late to be tellin' me you're sorry  
C  
One more ice bullet through my body  
G  
Flames searing through what we won't get back  
F  
Just like summer buds blooming  
  
when winters season's up  
Em  
It's coming back around  
  
and I won't let you put me down  
C  
See you don't wanna be pushing that card to me  
  
Go tell the ice my spring is coming 'round  
G  
I'm starting up my fire, stoking it up high  
D  
I'll win back springtime that I lost

## [Pre-chorus]

Em C
