

Catch Me If You Can | Girls' Generation - Chord & Lyrics

Title Song : Catch Me If You Can Singer : Girls' Generation key : Bm

Bm
Catch me if you can
D
Catch me if you can
A
I just got my head down
Bm D
And I'm a little bit scared tonight
Bm A
I need to run just far enough
Bm D
So I can smile again, smile again
A
So I can smile again

Bm
Take me by the hand
D
Take me by the hand
A
But don't you get too close now
Bm D
Cause I'm a little bit scared of life
Bm A
I need someone to try and bring
Bm D
Me back to innocence, innocence
A
Me back to innocence

leave it there, leave it there

To know, so play pretend, play pretend
