```
[Intro]
F         Am   G
You, you are my universe and
F     Am   G                   C
I just want to put you first
     F          Am   G
And you, you are my universe
     F  Am   G   C
and I

[Verse 1]
F   Am         G
     In the night I lie and look up at you
F   Am           G
     When the morning comes I watch you rise
F   Am             G
     There's a paradise they couldn't capture
F          Am        G
     That bright infinity inside your eyes

       F            Am
maeil bam nege naraga (ga)
    G
kkumiran geotto ijeun chae
     F                  Am
na useumyeo neoreul manna (na)
G
Never ending forever baby

[Chorus]
F         Am   G
You, you are my universe and
F     Am   G                   C
I just want to put you first
     F          Am   G
And you, you are my universe, and
     F                    Am        G   C
You make my world light up inside
```

[Verse 2]
```
F   Am      G
      eodumi naegen deo pyeonhaesseotji
F   Am       G
      gireojin geurimja sogeseo (eyes)
F   Am          G
    And they said that we can't be together
F      Am
    Because
       G
    Because we come from different sides
```

[Chorus]
```
F         Am  G
You, you are my universe and
F      Am  G                 C
I just want to put you first
    F        Am  G
And you, you are my universe, and
    F                   Am        G
You make my world light up inside
```

[Post-chorus]
```
