[Verse 1]

Dm Am
I'm on the ropes now, my arms are heavy

Can't let them break me down
G
Don't let 'em push
Dm Am
I hear the voices say I'm not worthy
C G
Nowhere to run but dig deep

[Post-chorus]

Dm
I won't be afraid
Am
Hesitation got me against the wall
C
No more mistakes like I made before
G
Cause I know how to win this time

[Chorus]

Dm
I'll rise up like a giant
Am
Hold my head a little higher
C
So don't you doubt me
G
When I'm fighting my lonely nights
Dm
Standing tall like a giant
Am
Yeah I'll be going higher
