**Title Song : Ruby Singer : Woozi of SEVENTEEN key : G Tuning : standart Capo : 1st fret - Start in G No Capo : click G#/Ab**

[Intro]

G C Em D  
Bm B7 Em  
G# Am B

[Verse 1]

Em  
Out of sight  
G  
Where am I running to now  
Em  
Blinded by shining lights  
Am B  
pulling me close  
Em  
Bloody red flamin' up  
D Em  
She takes me in Oh  
C  
Oh my ga-sheet  
D  
I see myself in ya

[Pre-chorus]

E G  
Baby girl you're making me  
A  
a beautiful jewel  
E G  
Every time I look at you  
A E  
I keep turning red  
G  
I'm not going back,  
A E  
go color me like you  
My forbidden fruit

# CHORDMUSIC.INFO

She got the ruby lips

[ Chorus ]

E                                 G  
My heart is taken away  
A  
I don't give a

[illegible]

E                    G                    A  
It blows my mind how you did this to me  
C  
With all of your shine

D  
She got the ruby

E                                  G  
My heart is taken away  
A  
I don't give a

[illegible]

E                  G                  A  
And girl I knew that this would happen just  
C                  D  
From the start cause she got the ruby

[Verse 2]

Em G  
She got the ruby  
Em Am B  
Oh yeah oh yeah

Em D  
Think I'm out my mind pass me  
Em C  
a coke zero to calm down

sht, this is red too
