[Intro]

A D E A

[Verse 1]

A D  
Who can bend my burdens  
E A  
And make them beautiful?  
A D  
Who can bring the healing  
D E  
To the hurt I hold?  
A D  
Who else could part the waters  
E A  
When I'm needing a way?  
A D  
Though I'm walking through the valley  
D A  
I'll believe when You say  
D A  
I'll believe when You say

[Chorus]

D  
For the good  
A  
For the good  
E F#m  
You work all things together  
D  
For the good (For the good)  
A  
For the good (For the good)  
E F#m  
Your promise stands forever
