[Verse 1]

D  
Third grade, I drew my dreams  
Bm  
On a blank page, my own silver screen  
G  
Painted sun, never rain  
And love without pain  
D  
It's funny, that life I designed  
Bm  
Never played out like I had in mind  
G  
Had some highs hit the ground  
Some ups that went down  
A  
But one thing that I've figured out

[Chorus]

D  
Joy comes  
A G  
Tears fall  
D A G  
I'm learning there is beauty in it all  
Bm  
It's not hard to find it  
A G  
You just have to look  
A  
Oh, God is good

G D A Bm
