```
[Verse 1]
                  C
Every time I come running
       Am7        C
I find grace on repeat
                    G
You welcome me with open arms
                       F
No matter where I have been
                C              C/D      Am7
Every time I surrender, every time I fall
       G          Am              C     F
I find grace more precious than I did before

[Chorus]
             C/E    F
So I'm gonna lay my world down
G             Am
 Here at your feet
F             C/E    Am         G
 Look to the heavens for all I need
          C/E     F
I'm gonna sing my heart out
G             Am
 Praise on repeat
       G         Am          C   F
To the God who's never given up on me

[Verse 2]
                    C
You're the mercy at midnight
                       Am
You're the kindness of dawn
                  G
My hope in every waking hour
                    F
And the strength I lean on
                       C                Dm      Am
Every time it comes to sundown and the night sets in
       G      Am              C           F
Let my soul remember just how good You've been

     G          Am        F          C
And again and again, my heart will sing

[Chorus]
          C/E    F
I'm gonna lay my world down
G             Am
 Here at your feet
F             C/E    Am         G
 Look to the heavens for all I need
          C/E     F
I'm gonna sing my heart out
G             Am
 Praise on repeat
       G          Am           C    F
To the God who's never given up on me
