[Intro]

C Am F C

[Verse 1]

C Am F  
Things are gettin' real, Jesus, take the wheel  
C  
Only way I'm gettin' to the other side  
Am F  
Days are gettin' dark, life's a little hard  
C  
Blinded, but I'm tryin' not to lose sight

[Pre-Chorus]

Am F  
I don't got this, I know You got this  
C  
Yeah, yeah, yeah  
Am F  
And I believe it before I see it  
C  
Yeah, yeah, yeah

[Chorus]

C Am  
I know You're gonna see me through it  
F C  
If anybody can, You can do it  
Am  
God, I know in the trial and the pain, fire and the rain  
F C  
You're gonna see me through it  
Am  
You're gonna see me through it  
F C  
If anybody can, You can do it  
Am  
And whenever my hope runs away, You save the day

Our God is bigger than all our problems

The only one who knows how to solve 'em

So if you're sittin' in the back, rock bottom

Prayers in the air if you got 'em

Our God (Our God) is bigger than all our problems (Our problems)

The only one who knows how to solve 'em (How to solve 'em)

So if you're sittin' in the back, rock bottom

Prayers in the air if you got 'em

[Chorus]

'Cause I know You're gonna see me through it

If anybody can, You can do it

God, I know in the trial and the pain, fire and the rain

You're gonna see me through it

You're gonna see me through it

If anybody can, You can do it

And whenever my hope runs away, You save the day

You're gonna see me through it

[Outro]

Yeah, yeah, yeah

I know You're gonna see me through it
